SQU 7.2.1 The server continues to serve until they lose the point – the opponent then becomes the server.

SQU 7.2.2 At the beginning of each game and each rally, the server has the choice of serving from either service box and should then alternate for as long as they are serving.

SQU 7.2.3 The ball must be served direct onto the front wall between the service line (middle line) and the out line (top line) so that on its return, unless volleyed, its first bounce lands within the back quarter of the court opposite to the server's box.

SQU 7.2.4 A service is a fault:

- If at the time of striking the ball the Server fails to have at least one foot in contact with the floor within the service box, and no part of that foot touching the line surrounding the service box (called a foot-fault).
- If after releasing the ball the Server fails to strike it before the ball falls to the floor, touches a wall, or touches anything the server wears.
- If the Server fails to strike the ball directly onto the front wall between the service and the out lines.
- Unless volleyed by the Receiver, the first bounce of the ball on the floor is not in the quarter court opposite the serves box.
- If the Server serves the ball out.

Entry Information & Rules

SQU 7.3 Play After a good serve has been delivered, players must return the ball between the bottom line and the top line on the front wall, alternately until one or the other fails to make a good return, or the ball otherwise ceases to be in play.

SQU 7.3.2 If any part of the ball touches the out lines the ball is deemed out, or if the ball hits the tin or the floor on its second bounce the ball is deemed out.

- The referee is asked to decide an appeal and is unable to do so.
- If the receiver is not ready, and does not attempt to take the service.
- The ball breaks during play.
- An otherwise good return has been made, but the ball goes out on its first bounce.
- The ball touches a receiver, then the ball is effectively 'not up'.

SQU 7.5 Points A player wins a stroke if:

- The server fails to make a good serve.
- The opponent fails to make a good return of the ball in play.
- The ball in play touches the opponent or anything carried or worn by the opponent whilst on the way to the front wall.
- A player drops the racket, or calls out or in any other way distracts the opponent, and the referee considers this to cause the opponent to lose the stroke.
