

WORK CLUB

The ReWork
PROJECT

Our Careers and Employment Professional is there to support and guide clients who attend Work Club.

Work Club will:

- Create a safe & supportive environment for job seekers to actively look for jobs
- Offer help when needed but enable job seekers to search independently
- To empower job seekers with job hunting skills
- To provide access to tools that improve essential skills and job winning capability
- Ensure careers advice is available to support continuing professional development

For more information, or to book onto the Work Club:
